Hi, Sue. Below is some information regarding a potential violation in Grand Lake. I just now noticed this originally went to Nathan, so perhaps you already know about this. Anyway, I hope Nathan or someone else from your office can check it out. Any idea on timing? (Grand Lake is lovely this time of year. I was just there this past weekend, but didn't find out about the alleged violation until today.)

There's one more email to follow.

'Hope you had a great Fourth of July!

Art, I think you might find this an interesting case, reminds of the the Telluride situation a while back. I greatly appreciate your looking into this. Another email will follow with more info and photos. Thanks!
